“ Sweet Mug, I didn't know. I'd have been there to say "wait for me". Our precious childhood memories, roaming sunny days all through Johnston's pasture, cooking corn on the rocks from a nearby patch and the many childhood games back then. Adulthood saw us go in different directions. But saw you occasionally at a funeral, leaving with a vow to get together, that never saw fruition. You'll be missed by those close to you but I'll look forward to seeing you again beautiful one. Rest With The Angels..Anne Jackson White
