“ *Marilyn was a great lady that proudly shared her love for the Lord and her family. She made the rest of us feel like 'family' with her caring heart. What joy in knowing she's celebrating Easter with Jesus this year (and probably organizing an egg hunt!).

“Peace be with you and the family, Bro. I truly have nothing but kind sweet thoughts of your Mother. In regards to Ms. Brannon I quote the following:

"To love is to discover and complete one's self in someone other than oneself...Nothing is precious except that part of you which is in other people and that part of others which is in you. Up there on high, everything is one.The conclusion is always the same: Love is the most powerful energy of the world" (Pierre Teilhard de Chardin)
