“ *I have the warmest, most wonderful memories of her as my sister and I spent many weekends with her, our cousin, and our grandparents at the magnificent 2-story log house in Lithonia.*

*Our biggest, most exciting memory was our trip to see Mary Poppins, complete with popcorn & drink. (circa 1964)*

*She also gave us Toni Home Perms! Made for the cutest school photo 1955, especially since I was snaggle-toothed also.*

*She also made our school clothes each year, fittings and alterations all thru summer break to present them fully customized for our new school year. We didn't appreciate those clothes then, but when thinking back, . . . <3*

*'Aunt Marg' painted our fingernails most every time we spent weekends and summer vacays there and allowed us to peruse her jewelry box, walk in her high heels, and the trying-on of her hats, while parading around her bedroom for a short time. She'd even spritz us with her favorite perfume. We saw her as movie-star beautiful and relished any time as 'special time' spent with her. We craved her attention.*

*She was able to demonstrate love to us with hugs and kisses when we needed them most, never withholding her affections for us. She worked to instill in us our individual specialness. We enjoyed her, we adored her and we loved her.*

*Find comfort in knowing she's more alive now as she abides with the Creator & Author of Love!*

*It's thru His Perfect Love that I recall and share my deepest affections for Aunt Margaret.*
