“ *My Aunt Margie was one of a kind. She had the biggest heart, which she shared with so many of us. I appreciate all the advise she has given to me, I take it with immense gratitude.*

*The memories I will forever cherish, for they are priceless! As a child we lived next door to her and John. Margie gave me my nick name "Tweety" that I'm still known as today.*

*You will always be in my heart,

“ Sending love and prayers to John, Ray, Jimmy, and the family of Marjorie Sue from cousin Melinda Sue. We have so many wonderful memories of fun times our families had together. She had a big personality and a great sense of humor! I am a proud owner of three of her paintings, which she personally gave to me. I will always treasure having a piece of her with me. Art was just one of her many talents, and a passion that we shared.

*May you find comfort in the love and support of family and friends.*

*Love, Melinda and Bob Hord*

“ Marjorie Sue was also my first cousin. I remember one time when my family and I were evacuating from a hurricane, and my parents told us we were going to west Tx to visit relatives. I wasn't real happy, because it was always boring there. We were driving, when I noticed we weren't going in the direction of west Tx. I asked my mom where are we going. She said we are going to Tyler to see John and Marjorie Sue. As soon as I heard that, I was happy and excited and knew we would have a fun time, because that's the kind of person Marjorie was. She liked to laugh and have fun. She will be dearly missed. We love you, Karen and Derrel Free and family
