“ Mark was a great person and great friend for many many years. I'm really going to miss him and encouraging things he always had to say. Though I never got to meet his wife my prayers are with her and his family. The last thing Mark said to me is that he was proud of me for the change I had made in my life. It ment so much. It's hard to believe the day after that he was gone. I'm glad i was able to have him as a friend and in my life. He always was a light and put on a smile on my face when it was needed the most.. I'll never forget all the times he just came to check on me after I had my first son for no reason but to just make sure i had what i needed and was ok.. and for all these years he has always been that great friend I will never forget. May your wings be as beautiful as your soul. Rest easy my friend
