“ *Mark was so nice and funny but if you needed anything he was there no questions asked. Yes Skate Towne was what we did . Mark will be missed and to his family so sorry for your loss. He used to tell me I see you at the gas station and he wanted to meet up but I had just lost my husband and was struggling to see that life does go on and I wished I had got to meet his wife he talked about you and his kids. Prayers*

“ I miss all my Facebook post I got daily. I find myself still looking and waiting for a silly post. I could call to ask you a question rather it be about cars or Biden you would answer and explain it to me. Thank you for being there especially for our girls. I'll miss you my friend your memory will always be cherished.
