“ I enjoyed spending time with Ms. Martha. She enjoyed sitting on the back porch and having a cup of coffee. She had a wonderful sense of humor and was quick to laugh. Always the perfect host She enjoyed chatting and loved her family. I will miss her and was honored to be her friend. Thank you Jimmy and Sabrina for allowing me to care for your precious momma.

“ *Martha was a beautiful person and always had a smile on her face. Martha worked at Gailey's Shoes in Conyers with my sister and me and was a joy to be around. She was always a very positive person and a happy person and was so eager to help make others happy. She loved her family and she loved life. She was the kind of person that you always felt better once you had been in her company...*
