“ I am Brenda Joyce McCart (Michael's Wife) and I was Her daughter in law for 46 years!

Just to say a precious memory that we shared!

Michael and I met on my first blind date in March 1976 and married on July 17, 1976.

To be honest one Sunday coming out of church she took my hands and asked me to ride home with her and I did. In the short distance to their house, she said that she loves her son so very much and I does not believe that the marriage to her son just Will Not Work.

After she finished my response was this: You and Robert have raised an amazing loving family and I come from the most dysfunctional family in America, I can only pray for God's Will and I with God's love and our love we will give our Future Children a loving Christian home, I love y'all and hope you will give us love, prayers, and support for our marriage and family to grow and I think that is all any new married couple can pray for! And then as only Martha Joyce McCart would do: she turned the car into the drive way and said okay, we've got a Wedding to plan and she helped me make my beautiful Yellow satin and lace Wedding Gown!

I love mama and all my sisters and brothers!

*All the cousins, nieces, nephews
grandchildren and great grandchildren!*

As she always ended our daily phone calls!

you have a good night sugar! She's been the only best mother I have ever known!

I'll be seeing you mama! I love you always!

Hug Michael for me, pretty please!
