“Marty, Even though it has been a while since I last saw you I knew you were there as Terri always took care of both you and Harry.....she would share video's of ya'll in your buggies and I know how much you, Harry and Teddy enjoyed this part of life. Long time ago when Wayne & I would visit your Mama, you, Harry & Ted would keep us in stitches tell stories about your dad Hugh.....I miss all of you and I hope you see Wayne & Ricky and join them in a Heavenly reunion.....I won't be there to say so long but I believe you can hear us and see all that is going on because so many loved you...I hope you feel so much better than when you were so sick.....all three of you suffered greatly and even though we miss you.....your heavenly bodies, are free of pain. ....when God gets ready I hope you will be a butterfly to visit Terri, Harry & Ted.....It is possible Im told because sometimes I sense Wayne is around me but I miss him .....we Love You Always.....Love from Joyce, Patsy, Ginger and families.....till we meet again.

“ *Marty was a good-hearted man and would do anything to help. He helped me with so many things that I could not do myself and I am forever thankful. He had that certain contagious giggle and smile that I loved to hear and see. Prayers for the family during this time for your loss and heaven's gain.*
