“ We are all here at Hole Products are so sorry to hear of "Dooley's" passing. He has been our vendor for more than 30 years so he was like family to us. He was always such a cut up when he would call on us. Talking everything from cars, sports and most of all his family. Every time he would come in we would say " Dooley.....you have anymore grand kids??? He would laugh and say" As a matter of fact I do" He loved his family. We feel like we know his family personally because he always spoke of them. We will miss that little Sliver Nissan pulling in every other week to visit us !!! Prayers for Shirley and the entire family.

“ My very deepest condolences to Marvin's family.

My youth saw me spend most of my free time with my two closest cousins Marvin(always Duggar to me) and Phillip , along with the entire Dooley family.

They were my summertime (and school holidays) 2'd home. I will always cherish those times.

Marvin was a gentle and uplifting soul who will never be forgotten by any who were fortunate enough to know him .

*I am so sad to find that my friend Marvin is gone. He was a great high school friend. I have such great memories of cheering on our RCHS basketball teams. I love the Granddad pictures... I bet he was a great one. I'm so glad I ran into him before I moved and was able then (2019) to get a sweet hug. Jen and Matt, Tony and I are so very sorry for your loss. Prayers for the whole family.

Jennifer, Scott and Jarrett, I am so saddened to have read today of the loss of your Dad. I can't think of a father who loved and supported his children more than Marvin Dooley. Never inappropriately vocal and always there for whoever was playing. I know that the presence of his grandchildren brought him great joy. I hope that the peace that passes all understanding will be like a cloud over your families and I know that wonderful memories of your Dad will help your hearts heal.
