“ Miss Agnes and her family were just about the best neighbors one could ever have. My wife and I have been living and working in Latin America lately, evangelizing 5 days a week, and coincidentally I was just now sitting down to write a letter to Miss Agnes, to express our gratitude to her for her recent Financial contribution, not knowing that she had already gone on before us. What a Sad disappointment in so many ways. Thank you so much for posting the photographs oh, some of which I had never seen in the fifty years that I have known Miss Agnes. Please be so kind as to send us the email addresses of her three precious children, so that we can keep in touch with them from where we are now, in the Republic of Panama. Otherwise, we can communicate by means of the app called WhatsApp Messenger. My email address is erikjmagnusson@yahoo.com.
