“ *My Tony, you are now in such a better place. No pain, and with your favorite brother and friends. We had great times and bad times together. I never thought you'd get your wings first. Give Bailey and Salomon big hugs. Thank you for being a chapter in our book of life. Say hi to Clayton. XO. Chip*

“ *My brother, I miss you so..  
As kids, we lived together  
We fought, we laughed, we cried.  
We did not always show the love,  
that we both had inside.  
We shared our dreams and plans,  
and some secrets too.  
All the memories we share,  
Is what bonds me now to you.  
We grew to find we have a love  
that is very strong today.  
It's a love shared by our family,  
that will never fade away.*

*When I came into the shop, i could always hear you say "Hi, Mrs. Mabry". We would sometimes have a little chat about different things and how you were doing. I enjoyed hearing you speak of Tracey because you knew her pretty well and I think you two would have fun when she came into the shop. You were one of a kind and always kept it that way which made you loved by all. Rest in peace now and see if you can find Tracey and have some laughs. Millie Mabry*
