“ *I'll never forget the first day I met you Micheal. I had just started dating you wonderful sister and had heard so many stories of you. I was so worried about impressing you and Mike and I remember is was a cold wet winter day just before Christmas. We pulled up in Alyssas Dodge Nitro with Emma and Jase in the back and I got her car stuck. Ha Mike was trying not to laugh to hard and you can't down the driveway busting out in laughter! I love you Michael. We all miss you and can't stop thinking about you.*
