“ We have had the privilege to accompany Mike on many vacations over the years. From Hawaii to countless trips to St. George Island, Florida - we will treasure our memories of these times with him. He was such an awesome person - wise, generous, funny and a damn good cook too! He just seemed to know how to do everything and being around him put you in a good mood. We will miss him terribly but will have many great memories to cherish. Rest in Peace "Big Kahuna"

“ A persons has had a successful life if the world he leaves is a better place than it was when he arrived. Mike Lacy did this. He enriched the lives of everyone who he had contact with in life. I first met Mike in 2003 and witnessed him literally carry an entire company on his broad shoulders and turn an almost hopeless situation into one of prosperity. Every person who cashes a Vantage Products paycheck owes Michael Allen Lacy a debt of Gratitude. Mike can never be replaced only God can do that and has chosen for Mike to join him.

*My sincerest condolences to all of Mikes family and friends on behalf of myself and the entire Vantage Family.*

“ Michael Lacy was always the big guy on the football team. However, it did not take long for one to realize that his heart was even larger. He truly cared about his fellow man and was not ashamed to show it. He along with so many other classmates of RCHS 1975 will be missed.

“ Mike was such a great man. I had the privilege of working with him for 10 years at Vantage Products and during that time he demonstrated professionalism as well as compassion to all that knew him.

After I left Vantage and moved out of state we continued our friendship via the phone. We might not have spoken but once or twice a year but it was as if we had just spoken the day before. I will always remember Mike sharing some of his mother's special Chex mix and shipping it to me and my husband at Christmas time.

*His friendship is one I will always remember!*

*Elizabeth, Jason and Jacob, you all were the light of your dad's life. Whenever we spoke, he was always so happy and proud of each and every one of you and delighted in telling me what was happening in your life. Cherish every precious memory.*

*Rest In Peace Mike. You are whole again!*

“ Growing up on Lark Lane, Mike was my "brother from another mother". Building forts in the woods; riding my go-cart while seeing his long legs dangling from his mini-bike; playing "monsters" with our sisters Karen and Diane while Jeff wanted to tag along; Mike's basement fire resulting in burned feet; Mike having to hold his foot on the brake of the fire truck as they put out one of my mom's kitchen fires; playing baseball at the legion fields and Mike being perhaps the tallest catcher in the league (those poor knees); being one of the "fat boys" on the offensive line on that awesome Rockdale County HS team of 1975. These are all memories of days gone by that were too short yet so influential in who I am. Goodbye my friend, see you in heaven.
