“ My thoughts and prayers go out to the entire family. She was a wonderful woman with a fantastic family. Even though over the years we saw each other less and less, and usually during sad times, she was in my thoughts. Sorry I was unable to attend today. They say time heals, and maybe it does, but it still doesn't make up for not seeing or talking to them face to face. Everyone please take care, and love to all the Young family. God Bless, Kimberly D. Young

“ I had worked with Michelle for a fairly short time but was immediately impressed by her candor, knowledge, and overall personality. She was a very straight shooter, something I most admired about her.

She will be greatly missed.

My wife Diane's and my thoughts and prayers go out to all that were blessed knowing her.

“ *Psalm 29:11 - The LORD will give strength unto His people; the LORD will bless His people with peace. Amen - Blessings of comfort and peace to Michelle's family in this time of celebrating her life on earth. Michelle was in my Sunday School Class at FBC Stockbridge, and I was blessed to pray for her these last months. Her faith was strong, and she prayed for her children every day. I thank God for her joy of being able to love on her newest grandchild, Sarah Jane, before God called her Home to Glory. Michelle was beautiful inside and out, and she will be greatly missed. “ *I worked with Michelle for several years and she was really fantastic to work with. Very dedicated to her job and always available if you needed to talk to her. One thing I will never forget is when Michelle disagreed with you about something--you heard about it! But that was also something I liked about her is that she would tell you how she felt about something. She spoke fondly of her kids and was very proud of them. Our thoughts and prayers go to the family and we will definitely miss Michelle. She was one of a kind for sure.*

“ Michelle worked for me at GDOT. She was phenomenal at what she did. As much as she cared for her job, her heart was always about talking about her children. She would always light up when she told the latest story. God bless you all.

I also worked with Michelle at GDOT and met her for lunch while I was living in Tallahassee. I was glad to see her. She fought a hard battle and made realize how much of a person she was. My condolences goes out to her family. My prayers are with Michelle and her family and friends.

It is so hard to believe we knew her for such a short time. She became a part of our FDOT family and I considered her a personal friend of mine. We shared our faith, laughs, lunches and had a kindred spirit of the South and the country. I now and always will miss than mischievous grin and drawl. I hope and pray we will meet again.

Michael, Daniel, Brittney and family: I was very saddened to hear of Michelle's passing - I have been in constant prayer for her healing, but God wanted her with him! Your Mother was my Boss when I came to work with the DOT back in 2004 and she treated us with the utmost respect and honor. I can truly say that I haven't had a more concerning Boss that cared for her employees. She always spoke of you children constantly and always wanted to know how my son was doing. She cared for others' more than she did herself. She will be truly missed and my deepest sympathies go out to each of you. Brittney, so glad you attended ABAC here in Tifton and gave your Mother the wonderful gift of a Grandchild! God Bless each and every one of you and rest assure your Mother is in Heaven rejoicing!
