“ To Larry, Donna and Judy and the Family of Mildred Fowler: Please let me express my sympathy on the loss of your Mother. Growing up in the neighborhood and visiting often, Mrs. Fowler and Mr. Fowler always made us feel welcome. I have such fond memories of her and all of you as we lived and played in that neighborhood. She remains a part of those treasured childhood memories. I thank her and all of you. My prayers are with you and all your family.

“ Mildred was always one of my favorite people. One of my most treasured Christmas decorations is a beautiful crystal, lighted "gift" ornament that snuggles itself under my tree or as a table decoration every Christmas since she gave it to me. I always enjoyed visiting Mildred and Herbert and almost always, we wound up perusing through her cookbook collections or admiring her plants under the garage. I worked many years ago with Herbert at Bankers Health & Life Ins. Co. and we all went to West Highland for many years. They were both such good friends to Evelyn and Tom Holland and Evelyn would speak so often of Mildred and the good times they had sharing recipes and their special friendship. Almost each time I visited Mildred, she would tell me how much she loved her family and always would break into tears at the mention of beautiful Donna. You all took such good care of your parents. May God bless you with good memories. Dee Mitchell
