“ Our most sincere sympathies to the precious families of Mrs Mildred Mixson.

*My family has been privileged to have “Lilla” in our lives for 62 years through our wonderful brother in law , Frank. Our families bonded and enjoyed many happy times. Mildred was always ready to live life to the fullest. A true Southern Lady full of Grace and Love. We could count on “Lil” to be honest with her opinions and a wealth of good life lessons. We love her and she will be terribly missed in this life but we will see her again in heaven.*

“ Rest In Peace Aunt Mildred. I have many memories as a child mostly. Spending time at my Grand parents in the summer and we would go to Aunt Mildred and Uncle Angs home a lot. She was the sweetest. I loved her sweet voice and her laugh. Playing on her huge porch. Uncle Ang was always so funny especially around my Granddaddy. 😊. I know her children and grands will miss her dearly. My thoughts and prayers are with them all.  
Love to all, Pam

*Mildred was like a second mother to us, grandmother to our children, and great-grandmother to our grandchildren. We loved her with all our hearts and for a long, long time. She was always one of us, and like our mama, she'll live in our hearts forever. We'll always cherish our times with her - Fridays out shopping and eating, naps in the recliner, trips to the beach, sharing books, phone calls, and visits. She was our mother's best friend, and we know they are having a big time together in heaven. Our heartfelt prayers go out to her family.*

*I knew your sweet mom from Gailey's. She and Nancy were such sweet and loving ladies. I always stayed in the store longer than needed but if they weren't busy, we enjoyed talking. You have had your mom so long and you were very blessed. My mom was 71 and passed away 30 years ago. It's so wonderful she could enjoy grands and great grands. May God give all of you peace and comfort. Loved your mom.*
