“ My condolences go out to all the family for your loss. I spent many hours with Mildred during my lifetime, either playing bridge or watching as she played with my mother, Betty Reid. I bet they have a game going right now, as I am sure my mother was there to welcome her. They were lifetime friends! With all my heart, Janice Talian💕

“ Dear Thompkins Family,

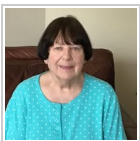

Mother called yesterday to let me know of your Mom's passing. I haven't seen Mrs. Thompkins in years, but, from what has been written about her, it appears she remained the same sweet and purposeful lady I knew years ago. Our connection was made when Mother, Daddy, and Mother's cousin attended business school with Mr. Thompkins in the 40's , and continued through Barbara's drill team years at Towers High School in the sixties, college and sorority years at Georgia Southern, carpools to work in the state office buildings, and several events of our early married lives. Mrs. Thompkins was so kind to host a brunch on the day of my wedding in 1972, and I will never forget her thoughtfulness.

We were so lucky to have the parents we had, giving us a solid foundation to face everything that would come our way.

I know it is a hard time for you, but I will be thinking of you and praying for you in future days.

*Love you,
Sharon Musselwhite Coleman*
