“ To Mildred's family I just found out your Mother passed in December 2019. For many years I was her friend in the Al-Anon program. I loved her like a sister I. I have spent many hours talking to her at her home. I had not talked to her since our mutual friend passed in 2012. I travel often and was out of state when she passed. My heart is heavy as many times I wanted to stop by and see her and never did. She always encouraged me, referred me to Unity Church and says it is You! I still attend since 1987 when she told me that. One thing she taught me was always look for the little flowers along the way of life. At every meeting for years she said to me when she hugged me " YOU ARE SO BEAUTIFUL." That was a turning point in my life to believe that about myself. She will be thought of often with love and gratitude. Please let me know what happened to her? 678-983-8737 Where is her grave at East View Cemetery? I want to pay my respects.

“ Roy and I were so sad to hear that Mildred had passed. She was a favorite of the Bond Family. I myself had known Mildred and Kathleen most of my life as I am a descendant of the Wilson Family. We send our sympathy and love to you. Roy and Judy Bond

“ One of the best neighbors I have ever had. She was a precious lady and could cook the best okra and dressing. We both had a love for gardening and would share flowers.  
I will miss her. I hope Susan still lives next door she is just a nice as her mom was.
