“ I am so sorry for your loss. Modesto and I were in the USAF and were stationed in Italy in the mid 60's. He was a genuinely nice guy, very upbeat and a lot of fun to be around. RIP my friend. Joe Ragusa, Independence, Mo

“ *To Frances and your entire family I send heartfelt condolences to you in this time of sorrow. I had the honor, and pleasure, of working with Modesto as a Revenue Officer in St Petersburg, Florida back in the '80s. Being a fellow New Yorker and also an Air Force veteran, we had much in common and I know that our backgrounds seemed to click. We had a lot of fun together on the job, Modesto's wit and sense of humor was a great catalyst for me. He would have me laughing over the silliest of things, and doing the job we did, it was welcomed and needed! We would go to lunch near the St Petersburg office at my Mother, Grace Hyland's condominium as she loved to feed us. She particularly had the joy of preparing food for Modesto and she often asked that he become a more regular visitor with me. I have such fond memories of those days as there were so many happy moments, in great part to our friendship, but in a greater part thanks to the wonderful human being named Modesto Milan. God Bless him! From his old friend, Dave Quinn, Newberry, Florida.*

My deepest condolences, there is so much I can say and yet have no words . I've known the Milan Family for over 50 yrs, since I was a young little girl way back in the Bronx in NY, Mo has we knew him was my friend and big brother, I still remember when he married Frances, so many memories, Frances, Hilda, Jennyfer, Karen, Michael I understand the sorrow you're going through. I'm still in shock. But the only thing we can do is pray and trust the Lord and ask him to give us the peace that he can only give. My heart is with you all. We'll keep in touch. God Bless You All. My husband too sends his condolences he too can't believe it.
