A beautiful tribute to your Mom! She was such an encouragement to us over the years during our time at Zion and even after we moved away. She will be missed but her legacy lives on!

“ I remember playing the piano along with Aunt Relli at the organ at Zion Baptist Church. Whenever a song had 4 sharps, I would hold up my hand to Aunt Relli with 3 fingers so that she would change the key to 3 flats. She could easily play the 4 sharps but she changed to flats for me. It still makes me smile.

I will miss Aunt Relli's smile and her laughter telling stories about her childhood, especially about Granddaddy Troy. I know that she is enjoying being with Uncle Gordon and all of the other people that she loved who have already passed. Music is pouring out of heaven.

I loved Gordon and Morelli. Every time I mentioned one I would have to talk about the other one. They were inseparable. They were the reason my family joined Highland Park Baptist because my mama and daddy thought the world of them. Gordon allowed me to sing some solos and got me into choir. God bless your family.
