“ I love you Miriam Vargas. This is the hardest thing I have had to face when dealing with a friend. No matter what our issues in life were we always managed to be there for one another. I love the talks, the lunch dates and most of all the laughs. We have cried together but never did we walk away without a solution to the problem. I find myself day dreaming wondering what I could of done to protect you more and keep you from leaving us but we both know God is in charge. I am just glad you are no longer in pain. You have your wings now so enjoy them. I remember the last talk we had in Rockdale and I promise you I will do my best to do that. Until we meet again I love you. Your friend and sister Darlene (THE BOSS) Canty

She's a blessing, and we shared many laughs at work. She will be missed. Until we meet again on the other side, I will pray for peace and comfort for your family.
