“ I got to know Nancy through the church and was blessed to have her as a part of our spiritual group. What a sense of humor! She made me(and all of us)laugh so many times. Her spirit and faith amazed me. And how proud she was of all of her family. She bragged on them often. I will miss Nancy and am comforted to know she is at peace.

“ Nancy has been a good friend for years. We met at Red Hats and Newcomers and had such a happy time whenever we were together. She attended Cursillo a few years ago and became an important member of our weekly spiritual group. When her cancer needed treatment the last couple years she was unable to attend but we kept in touch per phone and shared our common disease lamentations. She was a good Catholic woman and had an amazing strength and sense of humor. I will miss her so much but am glad she is no longer struggling and is at peace with the Lord and her loved ones. God Bless Rhonda and her husband and kids for walking this journey with her. Love, Sally Pratt

“ *Nancy took me in as her “adopted Nephew” and in all my life I can honestly say I’ve never met anyone that lived life like “Nana”! There isn’t a day that goes by that I don’t say to myself “How would Nancy do this?” or “what would Nancy think about this?” Her no nonsense and yet comical take on life really made you stop and remember what’s important! Nancy once said “I just keep Todd in stitches and I’m not trying too” But that was what was so endearing about Nancy! She was real to life and a blast to be around!
I will forever miss the good times at Lake Sinclair and the Beach and of course my Aunt Nancy! You will live in my heart forever Nancy and will be missed more than you could ever imagine!
Rest In Peace!
