“ *My dear Nancy. You were one of the sweetest and kindest ladies I have ever known. I am so glad I got to be with you and our dear Mildred when I was home. I was so looking forward to seeing you both this summer. You will never be forgotten and I will treasure the tube of lipstick you got me. If there is a Chick-fi-la in Heaven, you save me and Mildred a seat. This is not good-bye, it's "see you later". Lots of love.....Sylvia Plunkett*

“ Elaine, Judy, and family,  
Mama Thomas was a sweet, kind, loving, southern lady. She made me feel like a family member, even though she questioned my parenting skills after she found out my daughter had never had homemade ice cream. She always welcomed me with a big ole hug whenever I visited her and entertained me with stories about people I didn't know. She made me feel special and I will miss her so much. Sincere condolences from my family to yours. May she rest in peace.

“ Nancy was our 'across the street' neighbor for many years. The reason I say that is the street is Irwin Bridge Road. So we didn't visit back and forth. I mostly visited with Nancy and Mildred at the shoe store. I know Nancy was one of the sweetest ladies I have ever known. There was one time that my Mon and I were at the store and my Mom's car wouldn't start. I had children about to be home by school bus. That dear lady gives me her keys and tells me to go get my children and come back to deal with our car.

*I have had many hugs from your Mom and prayers because she knew my Mom and knew when I lost her back in 1993 I needed those prayers. Not too long ago I found out her son-in-law was bagging my groceries at Ingles. I hope he remembered to give her my love.*

*God bless each of you as you miss her, just keep her close in your heart.*
