“ Over 20 years ago Neal and I met through his neighbor and we then connected through his life in Reading OH. As we talked it was "do you remember this, do you know him, do you know her". I thought it was so great to make a new friend. Carol and I were in high school together and Neal knew my husbands family. It is a small world. Over the fence we would greet each other and reminisce those times in Reading. Sadly we will miss his pleasant smile and nature. JMJ

“ *My family and I have a lost a dear friend. We were able to share many family memories together at the lake and at the race track. Neal will be sorely missed but I'll always carry those cherished memories with me. I'm so glad that my family had the opportunity to share in many of those memories and to get to know Neal and his family the way I did.
May you rest in peace my friend and may God Bless you and your family.*

“ To all of the Tobler family, we are so sorry to hear of Neal's passing, he will be missed by all. We could not have had a better neighbor while he lived in Conyers Ga.. We had many pleasant years as neighbors. Our girls enjoyed having Leah as their baby sister many times. Our prayer is that God will bless you each during this difficult time as Neal progresses on to his home above.

“ *Words can not express the loss felt in our hearts, losing our dear BRO! He would always call me his "little sister-Sister", Being only three year apart in age, growing up we were always fighting about something, as siblings do. We were often sent to the steps to "think about what we did", Neal on the basement steps and I on the upstairs steps. I will remember the snow forts we built in the back yard and the snowball fights from behind them. In recent months, we talked often on the phone and oh, how I will miss that opportunity! You will always be my Big Bro and I your little sister-Sister. Until we meet again, may our loving and merciful Father hold you in the palm of His hand!
~ Your loving "little sister-Sister"*
