For our Paulding County people, ones who knew & loved my dad and I'm sure have many memories, here's his memorial service. Elaine & I spoke, yes I rambled on, our 2 cousins spoke also. Since we couldn't be in PC, thought I'd share for you and my aunt & uncle. Love you all

“ *Our family sends our deepest condolences! “Willie aka Papa Cod” was a great friend. We met when we worked together at Komatsu many years ago and have kept closely in touch up until he passed. He was someone who I could always call, was a great storyteller and would always make you laugh “by golly”! (will sure miss those words). He will be missed greatly! We are blessed to have had him in our lives! Sending thoughts and prayers to Sheryl and the family! Shane & Candy Whitby & family*

“ *I remember having a horrible time learning to water ski. As I struggled to hold on to the rope and keep my head above water while the boat was moving, Uncle Nelson dove into the water from the boat to help me resurface. He was always dependable when someone needed to spring into action to help another. When our families got together, it was usually me needing saving. LOL! He was there for me. I'll never forget that. RIP, Uncle 🌸*

*Nelson will be missed by so many. He was special in his sweet quiet happy ways. I enjoyed each time I would see Nelson and Sheryl, a big hug, a sweet smile. He is now out of pain, no more tears, no more fears. May the good Lord bless his family & friends! To know Nelson was to love Nelson, he made his mark in life by enjoying his life! Love ,
