“ In 2013 we went to Myrtle Beach he played on the beach with Kenneth, Audrey, Trenton, Julia and myself. Where we stayed it had a lazy river, he staded in it for hours. Then he challenged us to go down the big water slide and said I have never been on one. Posting the photo as he coming out.

“ Sorry for the family loss, our prayers are with all of you. Shirley thank you so much for keeping us informed the last few months. I know we are family and its sad we are so distant but maybe we will still keep in contact. Jr. will be missed, I only have memories of him when I was a kid. The most i remember is him working on cars and when he went in the Army. I did stay with him when I was 13 in Colubus Ga.I have not seen him since we lost our brother Eddy 29 yrs ago.Tell the family that he is at peace and think of all the good memories that all of you shared with him. God Bless all of you. Love his sister Easter and family.

I am saddened by my brother's passing and the loss of a loved family member. Shirley & Kenneth, my thoughts and prayers are with you and your family. Thank you for keeping up with all of us. I, like my sister Easter, only have fond memories of my brother when were young. I remember he was the only family member who was able to attend my high school graduation (in his uniform) and I was so very proud of him. I have not seen him in many years and it pains me to say that...All I have are my memories of him. May your memories help ease your pain and know that he is in God's loving care. My heartfelt prayers are with you all. Love, Isabelle
