Norman would find a solution for any problem.
Norman was not only sensitive but he was loving....the Lion in him I guess ?
Regarding HEALTHY LIFESTYLE, he was the master in this game and if challenged he would present proof. Zacky as he was lovingly referred, loved sharing his knowledge to all. He once told me that God gave him another chance and he was going to use it and use it he did, by not just talking the talk but actually living a healthy lifestyle.
Norman your smile will remain fixed in my heart. Your demonstration of HEALTHY LIFESTYLE will haunt me as the morning sun throws its beams through those branches at me harvesting my organic Spinach.
.Just to see you munching on Spinach leaves in my garden was a treat. It is known by many that Aunt Iris called you her TeddyrBear. My Teddy Bear sleep and take your rest. 🙏
Judy and his beautiful daughters Aunt Iris sends you love and heartfelt hugs as we all grieve the loss of a unique and loving person.
RIP Norman
