“ Willa and Rowena I am so sorry for your loss. I can remember Tommy being around the house when I would come stay the night. He would usually be leaving with buddy's and the 4 wheeler then go hang out with them. I wish I had more memories to share but my memory is not good.

I know he was a wonderful part of your lives and he will be greatly missed. He is no longer suffering and in a much better place. So at least take solace in that. Love you guys and I am praying for comfort for your family.

Love and prayers,
Tammy Berry

“ I love you my brother. You didn't deserve this way to go HOME. My heart aches and the only happiness I can find in this, is that you're with Dad and Sheila, and Eric. I'll do my best to take care of mom. I love you.

Tommy loved JESUS! He loved his family and his friends. He was more than a friend to me, he is my brother. I say he is my brother, because the bible says to be absent from the body is to be present with the Lord. My brother is alive and well forever with the Lord. Tommy was always a blessing to everyone he meet. He was always willing to help if you needed him. He could bring a smile to your face and lift your sprints, just by being around him.

To all the family Cathy and I want you to know our love and continued prayers go out to you all. Even though we will miss his physical body presents on this earth very much. I know I will see my brother again! This is not goodbye, but until we meet again!

"Rest with JESUS my brother."
