“ Pat was a very special woman that my husband and I got to know through John years ago when I worked with him. They were both special. We didn't get to see Pat this year as our travels didn't bring us to Conyers but we had several good hours with her last summer when we visited. She will always be remembered as a wonderful friend and a great head of her family. Our deepest sympathy to all the family.

“ Allison, Ellen, John Jr, (please forgive me if I forgot someone) Patsy and I became friends when my father was Pastor of Edgewood Baptist Church in Chatanooga 1950 - 1955. We became best friends and had many many good times together. I had the privilege to go with 2 other friends and we met with Patsy and 2 daughters in Atlanta and had a wonderful (2 hr) lunch! We talked over many good times and I met her sweet daughters for the first time and just fell in love with them also.

I know without a shadow of a doubt that Patsy is in a better place, and it makes me look forward even more to meeting her there one day.

Children, you have one of the best mothers that you could possibly have. Just wanted you to know how much we loved her too!

“ I have known Patsy all my life. Her parents and my parents were friends before we were born. I got to visit with her, along with 2 other life long friends, not too long ago. What a day that was. It was just to be lunch, but it lasted several hours as we laughed and talked about our times growing up in Chattanooga. She was a special lady and loved by so many. My heart goes out to her children, grandchildren, great grandchildren and other family members. I will treasure the pictures and memories from that long lunch always. I know she is happily reunited with her parents, sister and mostly importantly with Johnny. God Bless you all.

“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ Aunt Pat was a very special person in my life. Her & Uncle Johnny were always so much fun to visit as a youngster. I can't believe she is gone! I'm so glad we got to see her recently, she seemed so happy. She told us about all the family getting together for her birthday this year & how much that meant to her. She is really going to be missed!! Praying for all my cousins & their families.

“ Pat, being my sister-in-law for more years than I care to admit, I feel I have lost someone so very special and a great friend !! We really grew up together and I have so many wonderful memories of the Christmas Parties and Easter's we shared together !! I do believe she and I would try to out dress one another! ha ha I still remember the first day I met her, she was a beautiful young girl with a lot of personality!! Being married to the two brother's really gave us a lot to talk about !! ha ha Our children grew up close to one another and it was great fun and a BIG HAPPY FAMILY !! I will surly miss her! The last time we talked she seemed so happy and content with life and that makes me feel good inside. I know this is such a sad time for her 4 wonderful children and all her loved ones, but I do think she had a great life and that is what really matters ! I could go on and on but I know the husband she Loved and missed so much is waiting with open arms ! I want to share something with her precious family, I heard just recently that Everyone has two important dates that are special to them, that is the date of their birth and the date of their death, these two dates are very unique to them, but it is not the dates that matter, but it's the dash between the two dates are are most important in life (. 6/03/38 -----7/21/15) Pat made her dash count for something and she has a Great Family to prove it !! With Deepest Sympathy,
The other,
Pat Hckey
