“ Pat was such a special friend, I will miss her so much. I always loved visiting she and Ronnie, everyone was welcome in their home. She certainly faced her life with the difficulties she had with determination and grace. I loved my friend and will think about her often Thanking you Lord for these friends in my life and for the fact that they together again forever.

“ Pat was a dear sweet friend. Always caring of family and friends as well as others. She most definitely had a servants heart and loved her family unconditionally. Ronnie and her boys were the center of her life.

I first knew Pat when we began our careers at AP&L (now Entergy) back in the 70's. She was an outstanding employee, always mindful of doing her job and helping others do theirs. Everyone knew they could depend on Pat to get the job done and Pat was determined to make sure things were done right.

After Pat moved to Arizona and then Georgia, we still stayed in touch and visited each other back and forth. She was always the kind of friend you knew you could depend on and she knew and loved the Lord with her whole heart.

I send my condolences and my prayers to her family. I know she will be missed greatly.

“ My sister was very impactful with her church and community in so many ways. She was a member of Mt. Zion Baptist church for many years, serving as a Sunday school teacher, WMU president and deacon's wife. During her career years she worked in politics for the North Newton County Republican party and also served as the treasurer to a Georgia state senator. She was a very successful lady who loved God, family and friends and I will miss her very much.
