“ *I worked with Pat years ago. We opened the Baby Superstore with a great crew. We had some laughs. Getting up in the rafters of the tall shelves trying to spot Shoplifters. She was my lunch buddy. I remember when she told me she was pregnant, she took everything in her stride, never saw her panic or get overly excited. She was a great coworker and friend. I moved onto an office Job and we lost touch for a while but it seemed I would always run into her at a store somewhere. We would have a chat, it was always great to see her. I am so sorry for the family this will be a great loss, may you find peace and strength to go on without her.*

“ Pat Vandemark (patty mayonnaise is what i called her) I will miss you. I really enjoyed the conversation we had and the laughs. Who would have thought that Tuesday would be our last conversation, but I'm gonna cherish the time we had at Toys and I'm gonna pray that God gives your family strength thru this time.
