“ George and I just learned of Paul's passing. He was a constant when we lived across the street. He was my yard buddy as we discussed over and over the value, or not, of mowing grass and trimming bushes. We keep his memory in our hearts. The closeness of your family was evident. We are sorry for your loss. George and Regina Lewers

“ I don't understand why God had to take you, my favorite uncle, but I know you are not in pain nor are you suffering anymore. I'm going to miss not being able to hear your voice on the phone when I call aunt Gina. I guess Heaven needed a hero, and now they have the best one. I love you so much, and you will forever be in my heart. Love, Kim.  
P.S. Keep your nose clean.
