“ We were close "girl friends" for 65 years. Life will not be the same without her. We laughed together, cried together, shopped and "did nothing" together at times....but all was wonderful with my friend for life.

“ I have known Peggy for over 50 years. We were " Rich's Girls" together. All that you say about her is true. Peggy was savvy and always ahead of the curve. I loved her home and all the special touches in it. We always stayed in touch through our forever mutual delights. I will think of her often and am so sad to know she is gone. May all of her beautiful things give you beautiful memories of what was dear to her. All of you were precious to her. With warmth and memories. Priscilla Grumet

“ We are very sorry to hear of Peggy's passing. I, Martha Walter Preston, am a second cousin of Peggy. Her Mother Mildred and my mother Pearl were first cousins. In my earlier years my sister Sara and I and our parents often visited with Mildred, Dee, Peggy and her sister, Glenda. After Jim and I were married we continued to visit Georgia and reconnect at Blalock family reunions. Our sympathy to Norman, Duane and Ken, Todd, Montie, Lane and Leah.

“ *The Stones lived across the street from me when I was growing up. I always thought she had the greatest house, and loved playing in the rocks by their front door. She was always so sweet to me when I was young, and I had the pleasure of running into her a couple of times when I was out and about. She and Norman traveled to Chattanooga for my wedding and that meant the world to me! I can still see my mom and Peggy talking in the cul-de-sac on Burnt Leaf Lane. My condolences and prayers go out to her family!*

“ There can only be one Peggy Sosebee. What a wonderful girl. I learned of her passing thru friends in Decatur. Did not know she was in Decatur. When I was 7 or 8 years old, I lived on Bankhead Highway across the street from my best friend Peggy Sosebee. We went to same grammar school...played together, etc... I moved to Decatur but did not see Peggy until we met at Sears where I worked part time in shoes. Sold her some shoes. She turned out to be a beautiful lady. Then ran into her sister Glenda who worked at Commercial Union Insurance where I worked. Glenda told me that Peggy was married. I know you will miss her...will keep you in my prayers..

“ I was so sad to read that Peggy had died. I have so many wonderful memories of her and her fabulous style. She was so generous to share so many of her clothes with me and I always felt that I looked especially when I was wearing one of her outfits. She was such a special part of growing up and I know how much you will miss her. She will definitely be the most stylish angel in heaven! Kathy Ryan Wedbush

“ I've loved Peggy Stone since I was 18 and working at the Interiors Market. There are too many memories to count but I just loved Peggy's great style. Just the right layers of chains or pearls, a beautiful pair of bright colored Italian gloves peaking out of a shirt pocket, classic shoes. I mostly loved the way Peggy lit up when Norman walked in the room. Ill never forget how proud of me she said she was recently and how thrilled she was about my new baby. Ill miss her and the beauty that always surrounded her. My love and prayers are with her family.
