“ Uncle Perry, along with all of my Uncle's, had a positive impact on my life. But, what I remember most was him sharing with me the responsibility of firearm protocol and safety. This has always been a special hobby of mine. His teaching as a young boy served as a platform for me when I became a man and later shared those same principles with our two sons. His death as well as Aunt Dianne's came too sudden. They were much too young to leave our presence. However, the Lord's will knows best. My thoughts and prayers go out to Karen and Wanda along with all of their family. I just pray the Lord will have mercy on our families. We have lost many in 2015 to illness. Most Sincerely, Sam

“ *I am so sorry about Perry's passing. I always loved both Perry and Dianne and will miss them terribly. I know Dianne was waiting to greet him as he passed over. No more pain. Perry was always good to me and was always considered family....I know this is such a hard time for all the family and I share your sorrow. Prayers are being said that you will be granted the strength to get through this loss. Love to Wanda Karen and the entire family.*
