“ *Mrs. Phyllis was a very dear friend and she will be greatly missed. Her sense of humor was strong and sometimes not understood by all but she would always lift my spirits with just a simple call or her smile. Thank God she is not suffering anymore. She gets to breathe freely now.*

“ *Even though we didn't get to see each other often after we moved back to Macon, We will never forget the times we spent together with our families. Sometimes it was just Phyllis and me hanging out at the pool or going somewhere. Our boys played together all the time. When my daughter was born Marc and Scott would roll her around in a red wagon. Phyllis has moved on to a better place but she will always be in our hearts and minds. We will never forget her!*
