“ Oh! MY, My, My.....what a sweet, sweet, lady! One of my sweet memories of her as a young girl, was one Easter, when we were at her house. I believe we spent the night, or I did. Aunt Phyllis used bobby pins to pin every, straight fine piece of hair on my head. Up until that time, my hair had been fine and straight. I felt so pretty and cared for when she took my hair down. My hair must have stayed curly and beautiful for days!

I also think back to when we were younger, and I became ill with a high fever while visiting at her house. She spent time caring for me, loving me, and nursing me back to health! Aunt Phyllis was in EVERY sense of the word, a true Christian and mother to not only her own children but with us all.

My memories of her will never be forgotten, and I'm sure that her spirit of love lives on her children and grandchildren!

Darla and Family - Sorry to learn of your loss. Thinking of your Mom brings back so many great memories. We were neighbors when growing up as little girls - she was a little older and my idol. Then the pleasure of getting re-acquainted when our daughters attended high school together. Wonderful lady and great Mom. God bless all of you.
