“ So many sweet memories of Ramona when we were kids and Uncle Bermin and aunt Ula would come and visit Grandma James for a week and we would play in the small plum orchard at grandma James's house and get to spend the nights together. Then as we grew up getting to reconnect every year at our "James" family reunions, I will always treasure the memories and the love we all shared with all the cousins and families. My thoughts and prayers are with you all at this difficult time. With love, Gayle James Cornell

“ I have sweet memories of Ramona when we visited with Jesse and Faye many years ago. I remember mostly the love that you could feel in the home. Also, a lot of joking and laughing. Happy times with Bermin, Eula Mae, Ramona, Debra and Mark. Much love equates to much grief and I am so sorry that you must go through this time of sorrow. I will be praying for the entire family. Love, Debby James Breland.
