“ *My prayers and thoughts are with you. I was a real good friend of Gail and Revonda would come to school with Gail when she would be visiting and also before Gail's death she had visited in our home with Gail. I thought a lot of Revonda. My God bless each one of you. I think I meet the Niki at Gail's funeral.*

Revonda was one of my dearest friends. I called her my little sister, because that was what she had become to me. I loved her like a sister and our love for one another had grown so much over the years. Revonda will leave a big hole in my heart. My dear sweet friend you will be greatly missed, but never forgotten. Your pain is over now and you will rest in the arms of the Lord forever. I will see you again one day little sister. Until then just know I will love you forever.

“ To the family of Revonda, I am so sorry for your loss. I had the great pleasure of working with your mom for many years at DeKalb County. We called her Ro. She was always so sweet to me. We went to lunch often and shared stories of our children, we supported each other in our trials at work. I remember a particularly stressful time when she would take aspirin BEFORE the BTA Meetings just to help ward off the headache that was sure to come. But there were a lot of happy times too. We laughed a lot. She was a good friend. We didn't see each other much after she retired although we would go to lunch when she came to Decatur. Then I retired too and the miles between us grew, but we stayed in touch on facebook. I will miss her. Know that she was loved by us at the office. And know that her children and grandchildren were her heart! May she rest now in peace. And may God bless all of you during this difficult time.
Love,
