“ My mom (Lisa Dawn Kirk) and I learned in the last couple of weeks of PeeWee Phillips passing away. My grandparents were Wayne and Pat Kirk (my mom's father and mother), and they knew PeeWee, Bebo, and Cindy's father and mother Carlton and Jean Phillips from 60 years ago when they were neighbors in Milstead. My family left from Milstead nearly 6 years ago, and I still think about my time living there, and of the people my mom, grandparents, and other family members knew for many years. Heartfelt sympathies to PeeWee's children and grandchildren, and to Bebo, and the rest of the Phillips family. Know that you're loved, and you're in prayers.

“ I was his next door neighbor. He shot me with his bb gun & then gave me my first kiss under the sliding board in his yard. We were 7 yrs old. Will never forget him. His family are in my heart & prayers.

“ My best memories of my cousin, Pee Wee Phillips, was in our childhood when we use to go down to the Yellow River at Milstead to the 15 foot hole and swim, and you had to watch Pee Wee close because he was so small and that is how he got that nickname..Pee Wee .but boy did that change! In our recent years together.. .I bought my first Harley motorcycle..and Pee Wee taught me ,literally , how to ride! And boy, after that, we kept the roads hot riding every chance we got! Couldn't have asked for a better friend and buddy than him! I am going to really miss you, Pee Wee, your cousin Mike!

“ *I hate hearing that PeeWee passed away. I worked with him at Futos. Always had the biggest smile on his face. He loved his daughter & spoke so highly of her. I remember how excited he was when he found out she was expecting her first child. He had so many stories & always wanted to make people laugh. My condolences to his family & friends. It was a blessing to have met him. Rest easy PeeWee.*

He was a true gentleman. My husband and I rode with him and others in the late 80's and I had just reconnected with him in 2020. He was always smiling and he will be missed.

“ This man was my best friend, the best part about his life is I’m not the only person that can or will say that. He was the best friend to so many and will be missed more than I think he will ever know.

“ If you know Peewee you knew he loved his family! He also loved to ride and live a free spirit. Loved God with all of his heart. I'm his cousin Brian Kent. His mom was brother to my grandpa. I spent a lot of time with Peewee when we were younger. I reunited with him in 2016. We finally got to meet each other in 2022 and hangout. He loved watching motorcycles race. We met up at the track and from there we were in contact a lot. He told me about the Blueridge parkway and I had to go see for myself. He left the way and off we went. I'll include some pics from the last few times we went. 2022 was the first time with Peewee, my son Brynly Kent, and myself. In 2023 we went back with Eugene. You can see from the pics how happy each of us were. Peewee loved every minute of, as did I. My family sends our condolences to the rest of the family. Peewee was loved by us and many more. I know he's in heaven now, because scripture tells us that to be absent from the body is to be present with the Lord! Rest easy Peewee. I love you and I'll see you again one day.
