“ I came in to Ricky's life when he was 12 years old as his stepmother and he grew on me over the years and I thought of him as my child as he grew up and became a man a husband a father and a grandfather he had a lot of love to give he had a big heart he love to joke carry on most of all he love to cut up with me because I would argue back with him and wouldn't get mad we spend a lot of time together the last couple of years and he will always be in my heart as my son I am so very proud of the man that he became and the father and the grandfather to all his grandchildren he is in heaven now with his father and his brother in Jesus there will be a homecoming celebration when he gets there
So rest in peace and enjoy the new body that you have now free of pain and free of your wheelchair I wish I could see you walk again and a smile on your face I am going to miss you but we will see each other again one day
Love always Lolo and Mama Lois as you always called me

“ *We had so much fun ... back in the day! Rhondia you truly picked a great man in Ricky. I have so many great and cherished memories with the two of you! I am honored and blessed to have had the opportunity to get to know him and make so many memories. Rhondia, like you said he has new legs, feet, and thumb, but most of all he is blessed to walk the streets of gold and be reunited with those loved ones who went on before him. He will be missed by many! My heart and prayers go out to each and every one of you as you navigate through this difficult time. May God cover you in peace, may you feel His love, and may you feel Him as He walks beside you! I love you all and will continue to send prayers!*
