“ I was so sorry to hear of Bob's passing. My thoughts and prayers go out to the Carswell family especially Judy. Bob was my Leadman in the Avionics Shop at Southern Airways and Republic. I spent many days talking to him and his crew when he took over the Harness Shop when Northwest Airlines took over Republic. His mind was unbelievable. He was very well versed in every aspect of the equipment and parts we worked on. He also could tell you from memory almost every part number we worked on. He was always helpful and fair. I am very sorry I didn't get the chance to spend as much time with Bob as I would have liked to before the company closed the hanger in Atlanta and I had to transfer to Florida. If there is anything my family or I can do for you Judy or your family please let us know. With deepest sympathy,
Bob And Marilyn Minery
