“ *Connie and Family, I cannot find the right words to express my sorrow upon the passing of Pee Wee. Looking at his picture as I write this, he has a peaceful look and a smiling face. I know you have a lot of good memories to reflect upon. In the coming days lean upon those memories to help comfort you; and always remember, God comforts us in our darkest times, lean on Him.....Pat Chandler*

“ *My family went to church with Brother Robert for about 10 years at Brother True's church. He was so sweet and kind hearted. He always treated my boys like he would if they were his grandsons. He will surely be missed. Sister Connie I love you so very much. My heart breaks for you, your kids, and your grands.*

“ A lot of the first six years of my life was spent on Wilson Road with Connie and PeeWee. When Mama and Daddy needed someone to watch me, so they could go to the hospital with Ronny, they would always say, "Bring him on down here". PeeWee was my first teacher. He taught me how to skip rocks down at the same river I now live on. He taught me not only how to shoot a gun, but to hit what I was shooting at. He taught me how to shoot something else, but that's another story for another day, but it sure made Mama mad. Rest in Peace PeeWee. We'll see you on the other side.
