“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ We are so sorry to hear of Bob's passing. We've known him and appreciated him for so many years. What a nice guy.....always willing to help anybody in any way he could. His great attitude and smile (loved all the stories he told) will be missed by so many. Bobby, we have just found out about this or we would have visited at the funeral home. I know the whole family (and so many others) are heart broken. He was a good man and will be missed. Please know we pray for strength for you all to get through this.

“ Our condolences to the family and friends of Mr. Hanson. Thank you for his service to our nation and our community. Like so many, ours has been only a business relationship, but it has been one of those refreshingly wonderful experiences possible only with good people. Mr. Hanson's nature and nurturing are evident in the manner in which that business is conducted and in his son's character. From other sentiments posted, it is clear that Heaven has gained another bright light! God bless and keep you all!

“ *Mr. Hanson, Bob, "Pa" was always so encouraging to me. He was excited to hear how my family was doing and what I was up to. He would tell me how proud he was and encourage me. He loved to eat and was so complimentary of anyone that wanted to cook for him. He so loved Mrs. Betty Hanson and his family. Bobby and I have known each other since we were 5 years old. Mr. Hanson would look after me just like one of his own. I remember going camping with the family and you knew on Sunday morning he was going to play Christian Hymns on the radio. He and Mrs. Betty started attending Crossroads United Methodist Church with Bobby and Sherri. He helped build the addition to the pavilion and would come to all the events. Bob always knew God and he wanted to be with those who knew the Lord too. On Sunday mornings he was always ready with a big hand shake, a hug and a kiss for the ladies. I am thankful to Big Bob in so many ways and his family. The world needs more good people who love God, family and country like Bob Hanson Sr. did.*

“ The world lost a great man on Tuesday. My Uncle Bobby was a wonderful example of what is considered the quintessential, all American, Southern man - hard working, self made, proud veteren, loving husband, compassionate patriarch, nurturing grandfather, contributory citizen and a general, all around wonderful person. His life and selfless generosity should serve as an example to us all. Our love and prayers go out to Betty, Melanie, Bobby, Ronald and the family as his impact on this world was significant in many ways and he will be truly missed.

“ Bob was one hell of a guy. He's the guy who you felt like was your own dad with his tough love but could always feel like your grandpa too with a hug and a smile. We're not blood but the Hanson family is FAMILY to me. When I first got married we rented a house from them and the bond quickly started. I consider Bobby Dean jr like a brother and Bob Sr and Betty like parents. Always treated me and everyone like we were their own. He will be so missed but he left so much kindness behind for us all to continue to pass on kindness. That's exactly what he would want us to do.

“ I didn't know Mr. Hanson very well but I remember visiting him in the hospital. One of the things he said was that it looked like the stars had fell from the heavens. I was standing back a little ways and he asked me to come closer and he took my hand. He was such a sweet man from what I know. I do know his daughter Melanie. She is such a sweet person and I know that she is hurting right now. I want the family to remember he isn't in pain any longer and he isn't suffering. I will continue to pray for the family most of whom I have never met.

“ I first met Bobby when I was 6 years old. We moved into the same neighborhood where his family lived. We attended the same schools. He always had a big smile and warm greeting for everyone, even as a child. You may not see a person every day or sometimes for years, but you always know that you remain friends. Bobby was a friend. He will be sorely missed by the people who knew him in friendship and business and specially by those who called him grandfather, father, brother or husband. Our prayers go out to his wife, Betty and the family in their hour of grief. We are all saddened by his loss.
