*Although I knew Rob had been ill, this comes as a shock, as I deeply love him and his family. His parents --- Jack and dear, sweet "Aunt Betty" --- were like parents to me: Forever thoughtful and kind to the end. I will always remember our "Days at Lake of Bays" and Rob's warm disposition and home-run smile. A greater guy never existed and never will. I hope Kathy, Melissa, all the kids, and other family members will use all their Warm Memories of Rob to help them soothe their pain. We love you all! “ *I was sorry to hear of the passing of Rob. I have fond memories of us car pooling together to Panola road Lithonia Lighting.....and we would often have to drop off or pick up my infant daughter at the sitters. I enjoyed working with him and we would solve the "problems of the world" during our commutes. I was fortunate to run into him at Lowes a year or two ago and we were able "to catch up." Again, my condolences. Chet Vier*

“ I was very sorry to learn about Rob. I only knew him through playing golf at Honey Creek but I always enjoyed his company and found him to always be pleasant and cheerful. My sincere sympathy to all his friends and family.
