“ *Bob and I have been friends for over 50 years. He was a dear friend and advisor. When we were younger he, Linda and I often went out together. He was always my dancing partner as Linda didn't care to dance. I will miss our chats on Facebook and his sharing of the Horsepark and Laurelei's accomplishments with her riding skills.*

I was so sad to hear of Bob's passing. He and Mrs. Linda were so special to myself and Amy. Bob always had a smile on his face and loved watching both of us grow up. We will miss him greatly and cherish our memories of him! Our thoughts and prayers go out to Mrs. Linda, Shannon and Kim. We love you! - Scott & Elissa Fleming

“ I remember when we were a lot younger , Aunt Doris and Uncle Bob came to visit us in Tennessee from New Jersey. Robert and Frank stayed with my family while they visited. One morning I got up to eat breakfast and Robert and Frank had eaten all the homemade biscuits my mom had made. I said where are the biscuits? They were not use to southern cooking and biscuits and gravy and biscuits and jam and they had eaten them all up!! I have a lot of fond memories of my sweet cousins but was closer in age to Robert, Frank and Loretta. Diane was not far behind. I wish we had stayed a little closer. Robert and I face booked a lot so I knew what was going on with his sweet family. My younger sister Sharon passed away in February and he sent his and Linda's condolences. Now I am sending them to his family. It hurts. I love them all. From Cousin Carolyn

Bobby was hired by CoreVent Dental Implant company out of Encino, CA as District manager for the East cost. I was his 1st hire for the company and covered N.J. and N.Y. Area.

He was not only my manager but became my brother in a very short time.

We played golf together and got his 1st hole in. We jumped all over the tee box like a bunch of kids.

During our regional meetings the group eastern region would head out to places to listen to music and of course dance. Bobby and I were always competitive even on the dance floor. We were always trying to out dance one other and out danced our partners. We always quit at the same time soaked with perspiration. We looked at each other and just belly laughed, and then head back to the hotel totally exhausted. No mater if it were golfing, bowling, dancing or sales. Bobby got you to do more than you thought you could. He inspired all the people that came in contact with. True leader with a strong fortitude and yet very calming inner self.

When ever I called him about advice he would always say, " we got this brother ".

I didn't know Bobby had left us and just found out.

Bobby my brother you are truly missed and thank you for being you.

Love ya man,
