“ I am just learning of Mr. Wise's recent passing. He was one of my favorite customers at the financial institution I used to work for. He was a kind man and I am going to miss him.
One of my favorite moments knowing him was right before my 1 year wedding anniversary he asked me if my husband would like to go fishing with him. After finding out the date(the week of my anniversary) I told Mr. Wise that I couldn't let my hubby go fishing because he would be gone during our anniversary and I couldn't have that. I will never forget the look on his face when I said that. The world lost a wonderful person the day Mr. Wise passed-but oh what a gain heaven received. My thoughts & prayers are with the surviving family members. He may be gone but never forgotten!
