“ So sorry to hear of Roger's passing. Many childhood memories walking up and down Sigman East. We had the typical 80's childhood, riding bikes, walking thru the woods, staying out until the street lights came on. I remember the day when Roger showed me the shortcut thru the woods walking to CMS. I was shocked when we he told me there was a "trail" and then we came out right next to the fields in the back of the school. It was so cool. He was just an easy going kinda kid.
I know he'll be missed.
