“ Dear Family, I hold in my heart so many dear memories of Pat alway back to us attending Rockdale Baptist Church together when we were children when his Dad was our Pastor and knowing his sweet Mother then and up until God called her home. My husband, James West played football and basketball (I think) together and Pat and I rode the same school bus to and from school together. James, Pat and I graduated together in 1957 at Rockdale County High. Pat was always a sweet, polite, kind hearted young man. He always displayed a good Christian disposition with a willingness to help anyone. James had a Board Meeting on Friday evening that prevented us from coming to the funeral home and on Saturday morning at 10:00 A.M. He preached the message at the funeral of one of our dear Missionary Ladies and we were not able to attend Pat's funeral. Had there not been conflicting occasions James and I would have certainly been at the Funeral or for the viewing. James loved Pat, as I did, and we are thankful to God that we will see him again one day where there won't be any Goodbyes as there are down here. We continue to pray for each dear family member and send our love to each of you.

“ It is such a special memory to have been able to share school and church with Pat so many years ago, it seems more like just yesterday, Pat was such a wonderful person even in our younger years, a great football player and a joy to be around. He will always be remember for his kindness to others. My prayers are with the family in their great loss, may God be with you, comfort you and give you peace in knowing that he is with our Savior. I am sorry I want be able to attend the services, due to my health, but my thoughts and prayers will be with you during this time.
