“ I worked for Ronnie during and after high school. He taught me how to grow up and to be an adult. I appreciated his help and support. I always enjoyed Miriam come by in the evenings and bring "Keisha Cole" as her daddy called her. What a blessing you all were to me. You will be deeply missed. Love Angie and Mark Frost.

“ I always considered Ronnie a good friend, and a great guy to be around. We had some great times in high school, and though I lost track of him on occasion over the years, he was always the same old Ronnie whenever I'd see him out. Always smiling with a kind word, he will be missed by many! RIP old buddy!

“ Here's one of our most cherished memories of Ronnie Kerbow ...

During our purchase of the dental practice in 1990 at the office next to Hair Bracadabra, Debi and I were “warned” to be watchful of the neighbor as he (Ronnie) was uncooperative and problematic. During our move in day, Ronnie approached us at the back to meet and greet his new neighbor, and he couldn't have been friendlier, more gracious, and ultimately became not only a great neighbor but also a good friend. We will certainly miss him, and may God bless him and his family. Ron and Debi Cavola

“ *Ronnies Mom and my Dad are cousins, and even though they lived in Conyers and we lived in Claxton both sets of parents kept close and so did the kids. As a child I always thought Daddy was related to Richard because they were so close. It was always a treat to go see them. We would try to get a Six Flags trip planned in there somewhere. Children grow up and life changes and not always for the better. Ronnie was delt several life changing events and to this day I don't know how he and Miriam have gotten thru them. Ronnie I pray you are free of your physical and mental pain. Miriam prayers for you in the upcoming days. What a devoted wife you are indeed. We love each and every one of you.*

“ *Ronnie was a good friend and a good person. I'll always remember him being a sharp dresser from his days working at Gailey's and as a hair stylist. We went to school together and he worked for me and helped us with the beauty shop after momma's death. Always smiling and laughing. He will be missed!!*
